

COVID-19 VACCINATION INFORMATION

The Fayette County COVID-19 Vaccination Task Force has developed a registration process for county residents who wish to obtain the COVID-19 vaccine.

To register online, visit www.FayetteCountyPA.org and select the appropriate option on the COVID-19 tab found in yellow at the top of the page. Once you complete and submit the form, you are registered.

To register or schedule an appointment by telephone, please call **724-430-3900**.

Operators are available **Monday through Friday** from **9:00 a.m. to 3:00 p.m.** to assist you.

WVU Medicine Uniontown Hospital is committed to working with the state Department of Health, Fayette County COVID-19 Vaccination Task Force, and local and county officials, to continue COVID-19 vaccination distribution for our community.
