

PRIMARY CARE

Helping to keep your family healthy

NEW PATIENTS ACCEPTED

Whether it's counseling an expectant mother or making sure a grandparent is in tip-top shape to enjoy grandkids, WVU Medicine offers access to a range of excellent medical specialists and the most advanced medical technology available in the region.

With decades of combined experience, our Uniontown Primary Care providers are knowledgeable and ready to care for you and your family.

Healthcare access is easy and convenient with:

- Same-day, walk-in, and telemedicine appointments
- On-site laboratory services
- Online self-scheduling
